

The HOPE Collection:

Purple Hyacinth: Strife, Sorrow,  
Concern  
White Poppy: Peace,  
Optimism, Hope

Blooming on the battle fields  
of WWI, the red poppy served  
as a metaphor for optimism  
and the resilience of the  
human spirit. Many then  
replaced the red poppy with  
the white poppy to symbolize  
that plus a hope for  
everlasting peace.
